Menter Iaith Sir y Fflint present: a new app to help second-language pupils in the Foundation Phase to learn to read in Welsh.

Birchgrove Primary School Ysgol Gynradd Gellifedw

Betsan a Roco yn y Pentref

An exciting new app for the youngest learners in the Foundation Phase. It includes a series of games that will give learners the opportunity to develop their Welsh language skills in a fun and interesting way. The activities have been carefully designed to develop specific literacy and numeracy skills, in accordance with the Foundation Phase Framework.

The app accompanies the popular Canolfan Peniarth series, Exploring the Environment, and is based on the village in the series. However, users do not need to be familiar with the series to enjoy the app. The challenge for the children is to visit different buildings in the village and successfully complete the activities within them.
